House Rules

I have a few rules which I'd like to let you know about. I know rules are boring, but I would really appreciate it if you could have a quick read.

#1 - NO SMOKING!

- Please do **NOT** smoke in the room. If smoking occurs during your stay, a **€250** cleaning fee will be billed to your account.

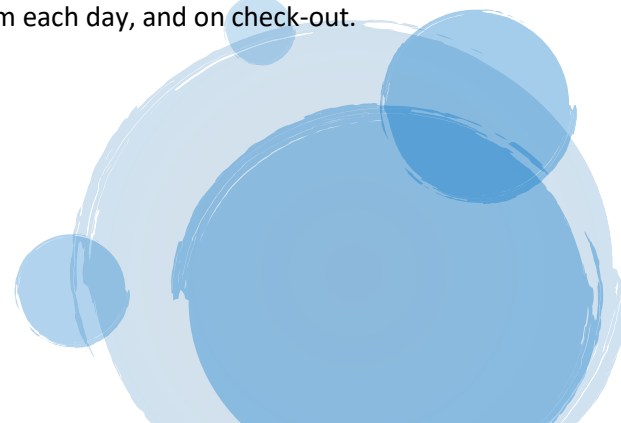

#2 - Number of Guests

- Ensure total guests matches that on your booking. If you have more guests than what you have booked for, you will not be covered under Airbnb Insurance. This is bad for everyone!

#3 - Check Out is 11 AM

- My cleaner will arrive shortly after 11 AM to clean the property. I can't stop her, she is a cleaning machine.

#4 - Lights & Heating

- I would really appreciate if you could turn off all the lights and heaters when you leave the room each day, and on check-out.
